**FAQ**

**How do I choose a contractor?**

It’s kind of like choosing a roofer or plumber — who do you want to work with? Check their websites and references, get suggestions from neighbors, have a consultation with more than one and see whose ideas and pricing fit best for you. These contractors all have 10 hours of RainWise training, and they are licensed, bonded and insured. Please evaluate them on their experience.

Having trouble connecting with a contractor? Email rainwise@seattle.gov, we can help!
